EXECUTIVE SUMMARY

As a detail-oriented marketing professional with a **Master of Science (M.Sc.) in Marketing** from the University of Denver (DU), I bring a strategic, results-driven approach to **data-driven marketing** and **digital content creation**. I excel at task prioritization & organizational skills to balance competing demands in fast-paced environments. My flexibility & adaptability enable me to adjust quickly to changing trends & project needs, consistently delivering impactful results. With a passion for creating meaningful marketing experiences & proven track record of delivering measurable results, I am excited to bring my self-motivated & creative thinker approach to the next challenge.

- **Analytical thinker:** Implementing my skills in digital marketing, social media content management, data visualization, and strategic data analysis tools to support a fast paced, forward-thinking organization, where I can manage innovative and impactful marketing campaigns that deliver measurable results using key metrics.
- **Decision making:** Proficient at collecting input from diverse viewpoints, cross-functional team, & making well-informed decisions while multitasking. I have demonstrated success in providing actionable insights for strategic planning through regular & ad-hoc reports, analyzing performance across different campaigns and channels.
- **Effective communication:** Skilled at using emerging technologies to create impactful marketing strategies that showcase collaborative skills with stakeholders and employing storytelling that resonates with audiences.

WORK EXPERIENCE

Marketing & Sales Coordinator, *StrucSure Home Warranty*

Nov 2024 – Oct 2025

- **Built the growth funnel in HubSpot** by implementing lifecycle stages, lead routing, deal pipelines, and task queues; launched **multi-step nurture sequences** that reduced manual follow-ups and lifted MQL to SQL conversion.
- Designed and executed **email nurturing sequences**, workflow automations, and task queues to enhance sales efficiency and reduce manual follow-ups.
- Launched a Google Review Campaign, with automated playbooks & multi-channel asks, driving **94% 5-star review conversion** among new submissions and **34% growth in total reviews**, contributing to **1–2 new builder acquisitions** via organic search.
- Created on-brand collaterals (print/digital) by coordinating with vendors & leveraging graphic design tools such as Canva and Adobe Creative Suite to ensure consistent branding & improve **lead capture at events**.
- Supported **cross-departmental marketing initiatives** by providing data-driven insights from sales analytics and identifying optimization opportunities to enhance marketing ROI.
- Assisted leadership in campaign planning, trade show logistics, and promotional strategy, contributing to **improved lead conversion rates** and brand visibility across multiple U.S. regions.

Marketing Research Intern, *University of Denver*

Sep 2023 – Aug 2024

- Collected and analyzed qualitative and quantitative data to **generate actionable insights** for website redesign, ensuring a smooth user experience, demonstrating project management skills.
- Conducted focus groups to **gather data** for content development, applying critical thinking & collaboration skills, and employing strong verbal communication skills to convey findings.
- Performed data interpretation and authored comprehensive research reports and co-presented findings focusing on enhancing digital content, and customer acquisition strategies.

- Utilized **data visualization techniques** and web analytics tools like **PowerBI** and Google Sheets to effectively communicate key data-driven insights effectively demonstrating strong analytical skills.

Marketing & Sales Intern, *Omaxe Ltd.*

Jul 2021 – Dec 2021

- Assisted the marketing team with social media management, editorial calendar and direct marketing by developing and implementing advertising campaigns and social media strategies for promotional events.
- Demonstrated leadership in managing digital marketing campaigns, copywriting, editing & proofreading digital content, & optimizing content marketing strategies for clarity and consistency.
- Assisted in creating email campaigns aimed at enhancing social media analytics, further supporting the team's digital advertising objectives via optimizing campaigns.
- Employed data management for marketing analysis of local real estate industry, focusing on marketing trends and search engine optimization using SEMrush for improved online visibility and high accuracy.
- Conducted keyword research and analyzed industry trends to improve digital online marketing strategies.

PROJECTS

Landing Pages Mockup

Jun 2024

- Created a comprehensive digital marketing project for "Moondrop", designing a responsive landing page which included a content strategy with targeted ads, print media, and an email marketing campaign using **Illustrator**, **Photoshop**, **HTML/CSS**, and **Mailchimp**, demonstrating creativity and content creation skills.
- Designed a logo to maintain visual consistency across digital assets, using graphic design tools as part of brand guidelines.

Purple Research Project

May 2024

- Conducted **market research** & developed RFP for Purple using **Qualtrics surveys**, content optimization for promotional messaging for the Harmony Pillow, aligned with consumer insights to boost branding efforts.
- Delivered **data-driven recommendations** to increase key performance indicators such as, consumer interest by 15% and purchase intent by 10%, targeting the Premium Health and Wellness segment while enhancing performance marketing efforts, demonstrating data analytics and strong problem solving skills.

BirdCall IMC Campaign

Mar 2024

- Developed an articulate Integrated Marketing Communications (IMC) strategy for Birdcall by thorough competitive positioning analysis with respect to the brand's positioning.
- Provided recommendations to achieving a 10% increase in brand awareness and a 15% boost in family visits through strategic channel marketing, marketing events, and innovative digital marketing initiatives.

Brand Style Guide

Oct 2023

- Crafted a comprehensive Brand Style Guide for a cherished brand, leveraging strategic insights and creativity
- Utilized industry-relevant tools like **Word**, **Canva**, **PowerPoint** to meticulously design guidelines ensuring brand integrity and resonance with internal and external stakeholders.
- Included **logo design** and other visual elements to ensure visual uniformity and consistent brand voice across the style guide, demonstrating attention to detail.
